

1965 – 2021 MARI MUZICIENI DISPARUTI

COLECTIE PRIVATA DE PIESE DE MARI MUZICIENI DECEDATI INCEPIND CU ANUL 1965

Am devenit treptat constient de muzica din lumea inconjuratoare in mod precoce, din anul 1965, inca din clasa I de la 7 ani, de cind am avut privilegiu de a creste si de a ma forma intr-un mediu deosebit, in care era muzica pretutindeni, in care muzica era peste tot, in care muzica era (uneori, adeseori...) totul...

La Clubul din subsolul Liceului Teoretic nr.2, devenit apoi Liceul "Nikolaus Lenau" din Timisoara, de care apartinea **Scoala Generala nr.2 din Piata Unirii** pe care o urmam, cintau ocazional sambatele la diversele "baluri" si "ceaiuri" Sfantii ce tocmai isi schimbaseră numele in Phoenix... Membrii Phoenix digerasera si asimilasera perfect, cintind in mod curent si profesionist in cluburile proletare si studentesti, piese ale celebrilor Doors, Shadows, Moody Blues, Beach Boys, Beatles, Rolling Stones, compunind deja (cu un curaj fara precedent la noi) primele lor cintece celebre cu sensuri multiple: Vremuri, Canarul galben, Nebunul cu ochi inchisi...

La Caminul - Internat al aceluasi Liceu nr.2 din Piata Unirii, unde erau pedagogi doi buni prieteni ai familiei, in Sala de Studiu, ma uitam cu ai mei in weekend-uri, impreuna cu elevii care nu aveau posibilitati sa mearga acasa, la unul din primele TV alb – negru din cartier (celebrul "Rubin", rusesc) pe care se transmiteau celebrele concursuri interjudetene "Dialog la distanta" si "Steaua fara nume" si ulterior la Festivalurile cu participare internationala "Cerbul de Aur"...

Pe strada Ceahlau, la nr. 20 (capatul dinspre Piata "Timisoara 700") unde locuiam, ascultam in timpul liber (impreuna cu gasca de prieteni de toate virstele) chiar pe strada sau pe banci in parcurile invecinate (al Sinagogei, parcul Botanic), pe radio-uri portative cu baterii de genul Mamaia sau Albatros emisiunile romanesti "Melodii la distanta", "Melodia preferata" si "Raspundem ascultatorilor" cit si celebra emisiune iugoslava non-stop de muzica, stiri, reclame si umor, intitulata "Mini – Max"...Tot pe atunci, in garajul din Bulevardul Tineretii, lipit de Casa Studentilor din Timisoara, unde isi tinea tatal meu prima masina "Pobeda", pseudo-ajutindu-l la reparatii, ascultam din nou "Phoenix" ce repetau obsesiv, citeva zile pe saptamina, piesele in lucru din noile albume "Cei ce ne-au dat nume", "Mugur de Fluier" si apoi "Cantafabule"...

Acasa ascultam, pe radio-ul "Electronica" cu lampi al familiei, (in carcasa din lemn de nuc masiv, cu difuzorul protejat cu pinza impletita din paie de orez si avind 5 benzi de unde ultrascurte !) fenomenala emisiune 'Metronom' de la Radio "Europa Libera" a lui Cornel Chiriac (si ulterior mortii sale premature, a lui Radu Theodoru) ce transmitea integral (de 2 ori pe zi !) noile LP-uri de succes aparute si "calde" inca pe rafturile din occident, sau hit-urile de top, cerute de radio-ascultatori (auto-protejati prin pseudonime) din emisiunea mult asteptata de duminica dupa-masa intitulata "By Request"...

La frecventele intilniri si / sau chefuri din liceu si / sau studentie ascultam si / sau dansam indragostiti pe selectii din celebre piese din topurile britanic si american, fie direct de pe suporturile originale de vinil fie de pe benzile de magnetofon sau casteofon.

Am detinut si m-am bucurat in mod firesc in timp impreuna cu pretenii de **bijuteriile tehnice** pe care initial puteam doar asculta si ulterior inregistra, copia, organiza muzica...Ele miroseau innebunitor la inceput a electronica si occident si sunau din ce in ce mai perfect: primul pick-up mono, primul casetofon mono, pick-up-ul cu doza stereo cu ac de diamant, primul magnetofon stereo cu 4 piste, primul amplificator stereo, boxele Hi-Fi pe 3 cai, casetofonul stereo cu filtre Dolby B, C si D, egalizatorul grafic cu presetari, ampli-tuner-ul cu iesiri pentru 4 boxe, receiver-ul digital, turnul Hi-Fi cu telecomanda, CD-player-ul ... Urmate apoi in mod firesc, in concordanta cu evolutia audio-video din ultimele 3 decenii de: DVD player, CD ROM Player, MP3 player, BluRay player....

Noile albume originale si / sau copiate au insemnat libertate, care incet s-a decantat si definit ca fiind una interioara, prin urmare drept una complexa...A insemnat uniunea spirituala cu prietenii, colegii, cunoscutii, cu generatiile apropiate si / sau diferite ca virsta. A insemnat continua bucurie a innoirii permanente a universului interior...A insemnat o existenta simultana (virtuala...."avant la lettre") cu gindirea necenzurata si spiritul liber ale generatiilor din vest, permanent nesupuse "status – quo"-ului si "establishment"-ului... A insemnat descoperirea noilor genuri muzicale ce evoluau gen dupa gen sau una din alta: marile stiluri din jazz (dixieland, swing, smooth, fusion, free, cool...) si enorma varietate de compozitii, tonuri si abordari din blues, gospel, bluegrass, soul, rhythm & blues, country, pop, folk, rock, reggae, calypso, flamenco, psihedelic, progresiv, electronica, fado, latino, punk, disco, new age...

Permanentele bucurii ale muzicii din secolul XX, aflate mereu in innoire, au fost si sunt din nefericire indoliate in mod continuu de marile genii care dispar inexorabil dintre noi...Inregistrările cu acesti Mari Muzicieni Disparuti, indiferent de suportul muzical disponibil, constituie o adevarata fonoteca de aur ce trebuie aparata, conservata si promovata, apartinand patrimoniului artistic al omenirii...

Prezenta colectie succinta de mai jos are rolul de a re-aminti si a constientiza citi Mari Muzicieni au plecat dramatic dintre noi incepind cu anul 1965...Din uriasa mostenire muzicala a **Marilor Disparuti** a fost aleasa doar cite o piesa celebra din fiecare autor, sub rezerva a subiectivismului inevitabil al subsemnatului si prin urmare cu riscul asumarii unor critici ulterioare, usor de inteles...

Scopul meu nu fost de a realiza o colectie "Best of" din acesti **Mari Muzicieni Disparuti**, desi multe dintre peisele alese au fost celebre si in topuri. Este doar o nostalgică reamintire cronologică a disparitiilor lor dintre noi. Biografiile complete pe Wikipedia (engleza).

Cintecele din colectia auto-limitata ce urmeaza sunt ordonate in ordinea crescatoarea a anilor in care au decedat Marii Muzicieni, anul respectiv neinsemnind nicidecum cel al aparitiei piesei... **In lista si in colectia de piese in format mp3 ce urmeaza, ordonarea este urmatoarea:**
